Guarantee

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced, a refund will be given or the unit will be repaired free of charge (where possible) during this period by the dealer from whom you purchased the unit.

This guarantee is subject to the following provisions:

- The guarantee is only valid within the boundaries of the country of purchase.
- The product must be correctly installed and operated in accordance with the instructions contained in these operating instructions.
- It must be used solely for domestic purposes.
- The guarantee does not cover accidental damage or misuse.
- The guarantee will be rendered invalid if the product is resold or has been damaged by inexperienced repairs. The manufacturers disclaim any liability for incidental or consequential damages.

The guarantee is in addition to, and does not diminish, your statutory or legal rights.

Warning

To prevent children from watching programs which have a rating above their age, please be sure to set the rating in the setup menu appropriately. Before you set this rating, the password must be unlocked. If you forget your unique password, then please use the universal password asset by the manufacturer. The universal password is 8888, please detach this sheet and keep it in a safe place, away from children.
